

About Us and Our Team

As a smaller, but perfectly formed lettings and management agency, we pride ourselves in providing you nothing less than the service, knowledge, and expertise that you would expect from a larger agent. The foundation of our business is built on giving 100% of our focus to the clients and tenants we serve.

Whether you're looking for property for sale in the New York area or just looking for property to rent, WP Residence makes searching easy. We use our unique location tool to pinpoint your ideal villa, townhouse or apartment; we will even contact the property owners on your behalf directly. We promise to help you find your dream home in only a matter of moments.
