**Title:** NO1 Electrician Melbourne

What Nikola Tesla did for the world in 1893 at the World's Fair in Chicago, Illinois, we can do for you!

Throughout the 1880s and 1890s, Thomas Edison and Nikola Tesla battled across the country for who would light the land. At the World's Fair in 1893, the night was lit by electricity. Who would light the fair would soon light the world!

And today, NO1 Electrician Melbourne is here to do that for you!

### **Who are we?**

NO1 Electrician Melbourne offers you the best and most effective solutions for all of your electrical problems and concerns.

### **What we do**

NO1 Electrician Melbourne is based locally in Melbourne and promises to bring you the best service and quality of all products and production. With over 10 years of experience, NO1 Electrician Melbourne is fully licensed and qualified and provides fast and affordable quotes with guaranteed satisfaction!

### **Services**

We offer a wide range of services; from electrical repairs and inspections to security lights and from phone sockets to surge protection, we are here to make sure that when you fall asleep at night, you can rest easy knowing that your lights will still be working in the morning – all because of our guaranteed service satisfaction for all of your electrical worries!

“But what happens if my stove stops working? Can you help me with that?” You may ask.

Absolutely!

“What about my air conditioning? I can't go without that!”

No problem! We've got you covered!

“And my exhaust fans?”

Check! We're here for you!

To ease your worries and concerns, let us tell you what more we can do for you! Other services we offer include, but are not limited to:

- Emergency Electrical Repairs
- Data Points and Network Cabling – Computer Wiring
- Bathroom Heating and Renovations
- CCTV
- Test and Tag
- Appliance Repairs – Oven, Cooktop, Stove
- Air Conditioning
- Home Automation
- New Power Points
- Ceiling and Exhaust Fans
- Re-Wiring
- Switchboard Upgrades
- LED Lighting
- Lighting – Indoor and Outdoor – Downlights
- ...and MORE!

“But what does all this mean? I don’t understand any of this!” You may say.

That’s alright! NO1 Electrician Melbourne knows that the “in’s and out’s” of electricity can be hard to follow and understand. As repairs and services are rendered to meet your needs, and as part of our guaranteed satisfaction, we promise to give you an explanation and any/all information that you request regarding the work we’re doing; we promise to provide the information in “laymen’s terms” so as to not leave you in the dark about the exceptional work we promised we’d do.

### **Service Locations**

And because we are based locally in Melbourne, we offer our services to:

- Melbourne Inner City
- Melbourne West
- Melbourne North
- Melbourne East
- Melbourne Southeast
- Bayside Melbourne
- Geelong
- Mornington Peninsula

So...who won the race to light up the World’s Fair in 1893 – Thomas Edison or Nikola Tesla? It’s because of their discoveries and contributions to electrical power that NO1 Electrician Melbourne can be there for you!

Let us light up your world! Call NO1 Electrician Melbourne today!
