To Whom It May Concern:

This letter is my personal recommendation for Katherine L. Pritchard.

I had the opportunity to work with Katherine several years ago and I found her to be extremely driven, hard-working, and pleasant, always tackling all of her job assignments with vivacious passion and a smile. Her interpersonal skills were second to none and was very much appreciated by everyone who worked with her in the office.

I highly recommend Katherine for employment. She is true a team player that would make a wonderful asset to any organization.

Sincerely,

Chad Henzen
